## Harti interactive

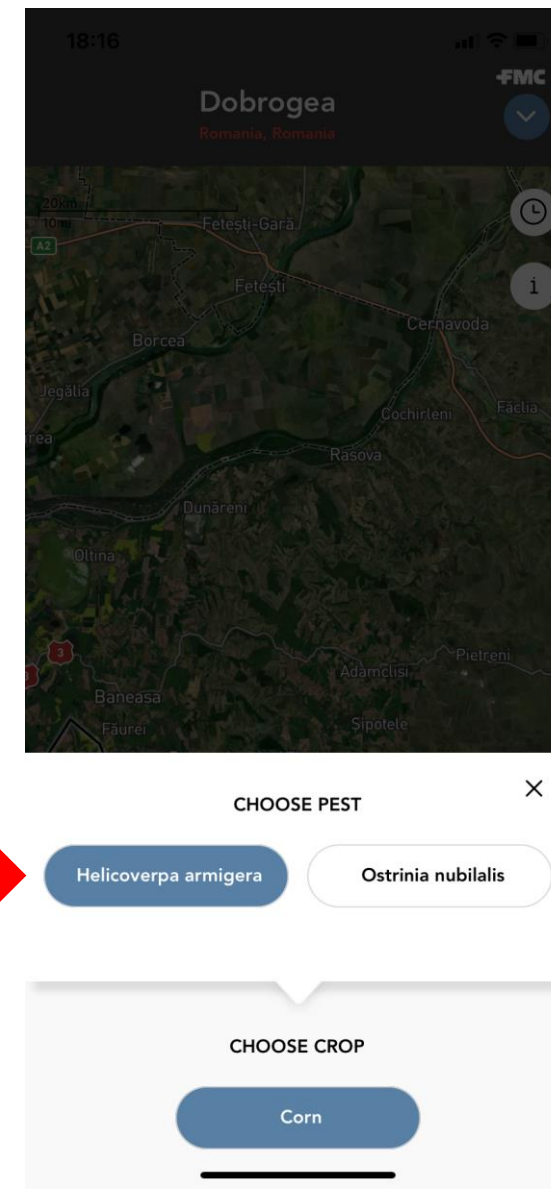

Dupa crearea contului:

1. Aplicatia va fi disponibila dupa validarea FMC (poate dura pana la cateva ore)
2. Apoi puteti naviga prin meniul aplicatiei – din partea de jos (Acasa – Harta – Capcanele mele – Contactati)
3. Pe harta se pot vedea doar capcanele pentru un singur daunator (selectarea daunatorului se face precum in imaginile atasate acestui slide.
4. Selectand fiecare capcana in parte puteti observa capturile acesteia.
